NEW YORK'S NEW DISTRICT ATTORNEY WELL KNOWN HERE

Charles A. Perkins's Wife Is
Member of Prominent Bridge-
port Family

Residents of Bridgeport are interested in the selection of Charles A. Perkins to be district attorney of New York city by appointment of Gov. Whitman, for Mr. Perkins married his wife in Bridgeport. She was Miss Miriam N. Rogers, the daughter of the late Samuel T. and Cornelia H. B. Rogers, who formerly lived in John street here, and whose eccentric wills were referred to the courts for interpretation.

Mr. Perkins was married in Bridgeport in 1901. He is the son of the late Albert C. Perkins who was principal of the Phillips Exeter academy. After completing his law studies Mr. Perkins began practice in New York city. He possesses the ability to both thoroughly prepare to argue a case and to think on his feet, a happy and rare combination of talent for any lawyer. His address at the bar attracted the attention of the authorities and he was offered a place in the district attorney's office.

He has served there for nearly fifteen years and has been senior assistant in the office ever since the term of District Attorney Jerome. He has made frequent visits to Bridgeport accompanied by his wife and little boy when the estate of his wife's parents was being settled. He has many warm friends here who are pleased at his promotion.

CONGRESS PLANS U. S. CELEBRATION AT 'FRISCO FAIR

Washington, Jan. 8.—Administration officials were going ahead today with plans for the celebration incident to the formal opening of the Panama Canal next March, virtually certain that French industry, therefore, would be forthcoming from Congress.

Assurance of this was in effect given to President Wilson by Democratic and Republican leaders in Congress who were summoned to the White House last night to confer with him relative to the celebration.

The President outlined to the delegation tentative plans for the celebration which had been laid before him by Secretaries Bryan, Garrison and Daniels, calling for an estimated appropriation of \$250,000 to defray expenses for the celebration and he asked that this amount be provided for by Congress.

The delegation approved the plan and expenditures. Plans for the celebration includes the entertainment of visiting officers of foreign vessels which are to participate in the naval review and pass through the canal. If that is possible, and the transportation of the fleet and visitors.

It was also agreed that, despite the possibility that the naval parade through the canal cannot be held as suggested recently by Col. Goethals, because of strikes, preparations should be gone ahead with without regard to such a contingency.

Those who conferred with the President included Senators Overman, Hoke Smith of Georgia and Chandler, and Representatives Underwood, Mann and Serley.

NEWPORT TENEMENT FIRE FATAL TO TWO

Newport, R. I., Jan. 8.—Two lives are believed to have been lost in a fire which destroyed three small frame buildings containing stores and tenements on Bellevue avenue and Debloys street early this morning. Walter Banks, a negro, and his wife who occupied rooms in one of the buildings, were missing after the flames were extinguished and it is feared they were burned to death. The loss will not exceed \$10,000.

VOLCANO IN HAWAII AGAIN IN ERUPTION

San Francisco, Jan. 8.—Steamer Hilonia, which arrived here yesterday, brought word that the crater of Mokuawewe, on the island of Hawaii, was again in eruption and the reflection could be seen for more than 90 miles at sea. Mokuawewe, a crater of the volcano Mauna Kea, according to Hawaiian tradition, spouts fire but once every seven years.

WHALEMAN'S MAGAZINE, STARTED IN 1843, QUITS

New Bedford, Mass., Jan. 8.—The decline in the whaling industry has brought it to a point where it is no longer feasible to maintain a periodical devoted to its interests, according to the publisher of the Whalesman's shipping list, who today announced that this week's issue would be the last of the weekly journal. When the paper was established in 1843, the number of vessels engaged in the whale fisheries was 675 with an aggregate tonnage of 198,174.

Food, clothing and medicine valued at \$5,000 will be shipped from San Francisco, Saturday, direct to Vladivostok for distribution among German prisoners of war in Siberia.

WOMEN'S DEMOCRATIC LEAGUE IN SESSION

Washington, Jan. 8.—Delegates to the annual convention of the Woman's National Democratic League had a large amount of business awaiting disposition when they began their final session here today.

Chief interest centered in the election of officers, particularly in the choosing of a president, that office now being occupied by Mrs. William A. Cullip, wife of Representative Cullip of Indiana.

The program for today first called for an address by Joseph W. Folk, chief counsel for the interstate commerce commission, presentation of reports of national officers, including state vice-presidents and of committee reports and lastly, the election of officers.
